local service.<sup>3</sup> Oak Grove is a community listed in the census with a 2000 U.S. Census population of 7,064 persons. Oak Grove has an elected mayor, a six-member city council, a city attorney and a city clerk. Oak Grove has its own water and sewer systems, police department, volunteer fire department, volunteer ambulance service, chamber of commerce, cable television system, health care professionals, and health care facility. It has its own local phone directory, post office, and zip code (42262). There are churches and commercial businesses. Schools are provided by the Christian County Board of Education.

4. Oak Grove is located inside the Clarksville Urbanized Area. Station WJOI-FM would place a 70 dBu contour over most of the Clarksville Urbanized Area from its proposed location at Oak Grove. In accordance with Commission policy, the rulemaking proponent must demonstrate that the intended city of license is sufficiently independent of the central city to justify a first local service preference.<sup>4</sup> Saga Communications has provided a *Tuck* showing to demonstrate that Oak Grove is sufficiently independent of the Clarksville Urbanized Area pursuant to the criteria set forth in *Tuck-KFRC*.<sup>5</sup>

5. Saga Communications proposal warrants consideration since the reallocation of Channel 232A at Oak Grove could provide the community with its first local aural transmission service while not depriving Springfield of its sole local aural transmission service. Saga Communications has provided information to show that Oak Grove is an independent community. Saga Communications submitted a gain and loss study since it is proposing to change the transmitter site for Station WJOI-FM. The study demonstrates that the 60 dBu contour of WJOI-FM at Springfield covers 1,867 square kilometers, encompassing a population of 82,971 persons while the proposed site at Oak Grove would cover 2,516 square kilometers and 188,254 persons. The population within the 2,222 square kilometer gain area is 182,424 persons. The loss area of 1,573 square kilometers contains 77,141 persons. Saga Communications alleges that there is no loss area resulting from the proposed WJOI-FM change receiving fewer than five aural reception services. Saga Communications states that there are 5 AM and 9 FM stations that provide 100% coverage to the loss area. Therefore, the loss area is well-served.<sup>6</sup> Saga Communications contends the reallocation of Channel 232A to Oak Grove would result in a significant gain in population served by Station WJOI-FM. Channel 232A can be allotted to Oak Grove, Kentucky, in compliance with the minimum distance separation requirements of the Commission's Rules, provided there is a site restriction of 9.3 kilometers (5.8 miles) east of Oak Grove, Kentucky.<sup>7</sup> As requested, we shall propose to modify the license of Station WJOI-FM to specify operation on Channel 232A at Oak Grove, Kentucky, as its new community of license. In accordance with the provisions of Section 1.420(i) of the Commission's Rules, we shall not accept competing expressions of interest pertaining to the use of Channel 232A at Oak Grove.

6. Accordingly, we seek comments on the proposed amendment to the FM Table of Allotments, Section 73.202(b) of the Commission's Rules, with respect to Oak Grove, Kentucky and Springfield, Tennessee, as follows:

<sup>3</sup> Springfield would continue to receive local service from daytime-only Station WSGI(AM) and "unlimited" Station WJQY(AM).

## APPENDIX

1. Pursuant to authority found in Sections 4(i), 5(c)(1), 303(g) and (r), and 307(b) of the Communications Act of 1934, as amended, and Sections 0.61, 0.204(b) and 0.283 of the Commission's Rules, IT IS PROPOSED TO AMEND the FM Table of Allotments, Section 73.202(b) of the Commission's Rules and Regulations, as set forth in the *Notice of Proposed Rule Making* to which this Appendix is attached.

2. Showings Required. Comments are invited on the proposal(s) discussed in the *Notice of Proposed Rule Making* to which this Appendix is attached. Proponent(s) will be expected to answer whatever questions are presented in initial comments. (b) With respect to petitions for rule making which conflict with the proposals in this *Notice*, they will be considered as comments in the proceeding, and Public Notice to this effect will be given as long as they are filed before the date for filing initial comments herein. If they are filed later than that, they will not be considered in connection with the decision in this docket.
